"It may sound unreasonable, but when I began taking Tanlac I only weighed 114 pounds and had not been able to work for over three months. Today I have as much strength and energy as I ever hat and have actually gained 30 pounds in weight. In fact, I have never felt better in my life, and I owe the remarkable change in my condition to Taniac and Taniac alone.

"To tell you the truth, I don't know what would have become of of me if it hadn't been for this medicine, for I had just about lost my health completely and the treat-ment I was taking was doing me no good. In fast, I hardly had strength enough at times to walk cross the room.
"My principal trouble was indi-

gestion, and I also suffered from catarrh and nervousness. My stomach was in such a weakened condition that I rarely ate any breakfast and had to live on a very restricted diet.

"After reading about Tanlac I decided one day to give it a trial, and it seemed to suit my case perfectly, for in a short time I was able to go back to work. I just want to be eating all the time now. and everything—even onions and pork—agrees with me perfectly. I
